WHO WE ARE

St. Malachy Catholic Church believes that the youth of our parish are the future of our faith. We provide our teens with a space to make new friends, grow closer to God, and develop a sense of belonging. One of our biggest events is traveling to a weekend youth conference at the Franciscan University of Steubenville in Steubenville, Ohio.

The proceeds from this golf outing will help cover conference costs for our teens, especially those who may not be able to afford it otherwise.

This conference is the highlight of our year and inspires many teens to continue their faith into their college years and throughout their lives.

We need your support to continue providing this life-changing experience for our teens. If you have any questions please reach out. Thank you in advance for your consideration and contribution to helping our teens grow in their faith.
